

# **CalConnect Timezone Workshop - February 3, 2009**

**Microsoft Corporation, Redmond, Washington**

**Building 35, Room 2615 “Kalaloch”**

08.30-09.00 Breakfast

09.00-09.30 Welcome

Welcome, intro to Calconnect, how Calconnect got involved in trying to determine a way forward for Timezones.

09.30-10.00 Introductions

Each participant introduces themselves and explains their interest in this and what they might like to see as an outcome. Plus comment on other interested or related parties that may be involved or should be involved.

10.00-10.30 Overview of the problem as seen by CalConnect

Quick statement of what the workshop organizers see as the problem we are trying to solve, with follow up discussion to see whether anyone has other approaches to suggest.

10.30-11.00 Break (Tea/Coffee, etc.)

11.00-12.00 How Timezone problems manifest in other areas (e.g. travel, health care, IT, OS, APIs, usability, etc.)

12.00-12.30 CalConnect's proposed way forward

Presentation on Timezone Registry RFC and Timezone Service Protocol as currently seen

12.30-13.30 Lunch

13.30-14.00 Microsoft work on Timezones

14.00-15.30 Open discussion on proposal and alternatives

Open discussion on the proposal presented in the 12.00-12.30 session and possible alternative approaches

15.30-16.00 Break (Tea/Coffee etc.)

16.00-17.00 Summary, conclusions and way forward

Evening      Optional dinner  
                 No-host event
